

[Remember to Activate Your New Chip-Secured VISA Credit Card Starting June 27th! \(Click for details.\)](#)

Monday, June 27th is "Activation Day" for your new Wauna CU chip-secured VISA Credit Card! An activation instruction label is affixed to your new credit card. You may also set a PIN for your new VISA credit card during activation.

Please continue to use your current VISA credit card through Sunday, June 26th; however, it will no longer be accepted effective Monday, June 27th.

Your new VISA credit card will include a new card number. And, second cards (such as for a spouse, etc.) will have unique card numbers.

If you have an automatic payment(s) set-up on your current credit card (examples: Dish Network, Direct TV, Auto Insurance, etc.), you will need to update them to the new card number and expiration date.

Please contact Wauna Credit Union during business hours to confirm the details of this email message; or, to obtain more information about your new chip-secured VISA credit card.

A special VISA Credit Card Support Team will be available by phone (800-773-3236) to answer

questions beginning at 6:00 a.m. Monday, June 27th.
